Name: Aravind Roll No: 1001001
 Date: 10/10/2020 Page: 1

1. The first part of the report is the introduction. It should state the purpose of the study, the objectives, and the scope of the study. It should also state the significance of the study and the limitations of the study.

2. The second part of the report is the literature review. It should discuss the previous research on the topic and identify the gaps in the literature. It should also discuss the theoretical framework of the study.

3. The third part of the report is the methodology. It should describe the research design, the data collection methods, and the data analysis methods.

4. The fourth part of the report is the results. It should present the findings of the study in a clear and concise manner. It should also discuss the implications of the findings.

5. The fifth part of the report is the conclusion. It should summarize the main findings of the study and provide recommendations for future research.

6. The sixth part of the report is the references. It should list all the sources used in the study.

7. The seventh part of the report is the appendix. It should contain any additional information that is relevant to the study.

8. The eighth part of the report is the index. It should provide a list of the pages where the different topics are discussed.

9. The ninth part of the report is the cover page. It should contain the title of the study, the author's name, and the date of the study.

10. The tenth part of the report is the table of contents. It should provide a list of the pages where the different topics are discussed.
