A photograph showing a street scene in Jhari, India. On the left, there's a shop with various items displayed outside. In the center, a group of people are standing near a white truck. One person is holding a large white bag. The truck has some text and images on its side, including "PRADHAN", "5G", and a smartphone. The background shows trees and a clear sky.

A photograph of a dirt road in Jhani, India. In the foreground, a man in a red shirt and dark pants sits on a low wall. Behind him, two men walk away from the camera; one is shirtless and wearing dark pants, the other is wearing a light-colored shirt and dark pants. To the right, a large white billboard for a smartphone (Redmi) is visible, featuring an image of the phone and some text. The background shows trees and a simple building.
