© 2012

Apple Cider Vinegar is a natural product that has been around for thousands of years. It is made by fermenting apples or apple juice. The fermentation process creates acetic acid, which gives the vinegar its tangy flavor. Apple Cider Vinegar is a great addition to many recipes, and it can also be used as a natural remedy for various health issues. In this infusion, we will combine Apple Cider Vinegar with Bitters to create a delicious and healthy drink.
