From the list of answers given, write in the table which are the correct answers.

Write beside the correct answer, the name of the system in which this unit is the correct answer. If more than one answer is correct, give the name of each correct answer.

Answer the two questions, and name the system in which the correct answer is given.

QUESTION 1

1. The following are the names of some of the systems in which the unit is the correct answer. Write the name of the system in which the unit is the correct answer. If more than one answer is correct, give the name of each correct answer.

1. The following are the names of some of the systems in which the unit is the correct answer. Write the name of the system in which the unit is the correct answer. If more than one answer is correct, give the name of each correct answer.

Write the name of the system in which the unit is the correct answer.

Answer 1  
Answer 2  
Answer 3

Write the name of the system in which the unit is the correct answer.
