Why do you think the world is becoming more and more urban?
Why do you think the world is becoming more and more urban?
Why do you think the world is becoming more and more urban?

Name: _____ Roll No: _____

DATE: _____

The world is becoming more and more urban because of the increasing population and the need for better living conditions. This is due to the fact that people are moving from rural areas to urban areas in search of better jobs, education, and healthcare. This is also due to the fact that urban areas are more developed and have better infrastructure.

The world is becoming more and more urban because of the increasing population and the need for better living conditions.
